

LEIGHTON VANS

A Sportline Leighton Van features the following enhancements to a stock Volkswagen T5 or T6.

Sportline Panel Van - standard features

- Front splitter
- Rear spoiler
- 20" alloy wheels*
- Custom leather upholstery
- Sportline roof rails
- Sportline side bars
- Front fog lights
- Bumper grilles in gloss black
- H&R 40mm lowering springs**
- LED Daytime Running Lights (T5 only)
- Piano Black Badged Grille
- Carbon effect Rear Bumper Protector

Sportline Kombi Van - standard features as above PLUS

- Factory rear seats with leather upholstery
- Flooring
- Sound proofing / insulation
- Carpet lined
- Suede effect trim
- Privacy glass to rear side windows

You can enhance your own Leighton Van further by adding accessories such as LED lighting, upgraded In Car Entertainment and even bespoke leather effects and personalised stitching.

Please visit our website or contact us for details.

*Fitted with 275/40 R20 tyres to correct load capacities.

** Do not compromise the standard van load capabilities.
